

**HEIGHTS MEDICAL**  
TODAY'S FAMILY PRACTICE SPECIALIZING IN YOU

Dear Patient,

On behalf of the entire staff at Heights Medical I want to welcome you to our Primary Care practice of Internists, Family Physicians and Nurse Practitioners.

We are recognized by the National Committee on Quality Assurance (NCQA) for delivering care within the principles of the Patient Centered Medical Home model of practice.

Our model offers

- Improved and open access to our entire care team offering increased availability for timely appointments
- A place where all your medical needs can be addressed with associated specialists in the community and privileges at Hackensack University Medical Center
- We provide “care navigation” and coordinated care in a fragmented delivery system
- Improved quality and outcomes by using evidence based care
- Involving our patients with the health care they receive
- Greater patient satisfaction and improved patient experience.

The best investment you can make in these turbulent times is in your health.

In addition we offer through Heights Aesthetics:  
Juvederm, Botox and Microdermabrasion for smooth skin.
